

Coventry Dynamite: Reporting an Issue

Athletes

- Speak to your parents or a coach regarding your concerns.
- For athletes over the age of 18, you can speak directly to the safeguarding officer should your concern be regarding a safeguarding issue. You can also communicate safeguarding concerns to coaches, who will then deal with them appropriately.

Parents

- All concerns can be communicated via coaches. We encourage coaches as a first point of contact for all bullying concerns.
- All safeguarding concerns will be passed onto the safeguarding officer.
- Any safeguarding issues where the parent would prefer the coach not to be involved, can be communicated directly with the safeguarding officer.

Coaches

- If a safeguarding issue arises, this must be communicated with either Sarah or Ryan who will then direct it accordingly.
- Bullying concerns can be dealt with in-house where possible. Sarah, Molly and Ryan can assist you with resolving any bullying issues.
